Cora F. Heider Is Entertained At Recent Shower

Yellow Springs — In honor of their niece, Miss Cora Frances Heider of Fairborn, four of her aunts entertained at a miscellaneous shower at the home of Mrs. John Sidenstick, W. Enon rd., Yellow Springs, on Monday.

Miss Heider's engagement to Archie Lambert of Fairborn is being announced by her mother, Mrs. Mabel L. Heider, 613 N. Broad st., Fairborn. The couple will be married late in July.

Hostesses at the party which was held on the lighted lawn of the Sidenstick home were Mrs. Everett Ault and Mrs. Joseph Farr of Xenia Mrs. Arthur Lair of Dayton and Mrs. Sidenstick.

Gifts for the guest of honor were placed on a long table over which a yellow and white umbrella was suspended with streamers extending to centerpiece of summer flowers in a sprinkling can. Contests were played and a dessert course was served to 35 guests from Dayton, Springfield, Fairborn, and Xenia.

The bride-elect, daughter of the late Martin B. Heider, is employed as assistant manager of Western Auto Associate Store in Fairborn. Mr. Lambert is the son of Dr. and Mrs. Glenn Shepard of Fairborn and is employed at Dayton Precision Company in Dayton. Both Miss Heider and Mr. Lambert attended Fairborn High School.

Following their marriage Mr. Lambert and his bride will reside

will open in the near future.

Members of the Methodist Youth Fellowship donated time Tuesday at 30 E. Dayton dr., n Fairborn, to help finish painting walls and working on the furniture.

The Teen Canteen will occupy the second floor of Mills House, and will provide facilities for dancing, ping-pong and other teen-age activities.

Pat Sayer, chairman, announced that more volunteer workers are needed. Those desiring to donate their time may contact her at 77538.

A group of teen-agers under the direction of Marian Wingfield, will make curtains for the canteen.

Jolly Bixler, Dave Blackwood At Baseball School

Yellow Springs — Two local baseball players have been chosen to attend the Cincinnati Reds' baseball school Friday and Saturday.

Jolly Bixler and David Blackwood, pitchers for the Yellow Springs Hardball team, are leaving early Friday for Lebanon, where the school will be held.

Parents of the boys are Mr. and Mrs. Paul H. Bixler and Mr. and Mrs. James G. Blackwood. The school is designed to develop potential baseball material, according to the local coach, Thomas McCoart,

Council Covers Variety of Subjects

Yellow Springs — Estimated general fund allotments, which come directly from the taxpayer, were unanimously approved for 1953 and 1954 at the Monday Village Council meeting.

For this year January to June inclusive and the remaining six months' estimate, the amount is \$36,656.17. For all of 1954, it is \$34,111.49.

A 30-day extension, which had been requested to complete the north end sewer project, also was unanimously approved by Council members. Section 29 of the Yellow Springs Charter was acted upon. It stipulates that any qualifying citizen may be appointed mayor by

the Council in the event of the demise of a current mayor.

Zoning Ordinance No. 3, will be repealed when and if the new ordinance becomes effective, Council members decided. Hearing for the new ordinance is slated for July 20. If it is accepted, it will become effective sometime in the middle of August. Discussion on Ordinance No. 4 has been tabled pending the July 20 meeting's outcome.

As the AMERICAN went to press plans were being formulated for a special meeting, to have been held Tuesday for the purpose of authorizing the purchase of water pipes for the village. The special

meeting was called because a two-fifths majority is needed for authorization.

Other highlights of the meeting were a request for a time-extension until August 1 for the garbage truck purchase bids, the signing of the Bixler easement, which authorizes return of city-leased property to the owner, Paul Bixler, and discussion of logging the village set bugs Friday night, which had been approved prior to the meeting.

A form letter is being sent to Paul H. Dawson regarding his turning over of property to the village for a village building project. Mr. Dawson had installed utilities on the property.

'PERICLES' WILL BE GIVEN AS NEXT ANTIOCH PRODUCTION

Yellow Springs — A distinct contrast in mood and setting will mark the third week of the Antioch Area Theatre's summer-long Shakespearean Festival when "Pericles Prince of Tyre" opens next Wednesday.

Following two weeks filled with the satire of "Troilus and Cressida" and the starkly uniform message of "Coriolanus," the new production offers a study of Shakespeare in the mellow years of his productive life.

Directed by Meredith Dallas of the Antioch faculty, "Pericles" will be produced with the help of many local residents who have joined the professional company.

The title role has gone to the Area Theatre's managing director, Arthur Lithgow, well-known Shakespearean scholar and actor who originated the festival last year. Miss William (Dorothy) Laming has been cast as Thaisa, wife of Pericles. Diana will be played by

Mrs. Joseph (Ruth) Wilder and the role of Boult will be taken by Budd Steinhilber.

Citizens in the crowd scenes will be almost entirely local residents. "Pericles," a "wondrous story to be told," is a romantic play of narrow escapes, harrowing adventures, storms at sea, loved ones separated and reunited. It champions the victory of goodness, kindness, fortitude and forgiveness over all the forces of evil and mischance.

The play will be staged at 8 P. M. on Wednesday, Thursday, Saturday and Sunday nights, with a repeat performance of "Troilus and Cressida" at 8 P. M. Friday. "Coriolanus" will occupy the matinee period at 3 P. M. Sunday.

Following this production, the Area Theatre will continue its way through the Greek and Roman series with "Timon of Athens," "Titus Andronicus," "Julius Caesar" and "Anthony and Cleopatra."

Dr. Irwin Abrams Named To Serve As Consultant For German Organization

Dr. Irwin Abrams, Antioch College professor of history, is one of 120 American "specialists" who have been selected by the U. S. High Commissioner's Office of Germany to serve as advisors to German cultural and educational organizations, college officials announced this week.

Dr. Abrams will serve as consultant to the German International Youth Community Service Program working from the group's headquarters in Munich. He left Tuesday for Washington to consult with State Department officials before flying to Bonn, the West German capital, and then to Munich.

The International Youth Community Service program sponsors a series of camps and work projects throughout West Germany to help develop democratic attitudes and international understanding among German youth. It is one of a group of German organizations to which the High Commissioner's office lends advisory and financial aid.

Dr. Abrams will assist the organization under the Exchange of Persons Program, of the High Commissioner's office, which places "professionally prominent Americans" in positions where they can help rebuild Germany. He served during the last academic year as director of a team of five German students and one faculty member who studied at Antioch under State Department auspices.

Dr. Abrams, who was director of training for the American Friends Service Committee from 1943-1946, has had charge of work camps throughout Europe. In 1936 and 1937 he studied in Europe under a Sheldon Travelling Fellowship. He will return to Antioch in mid-September.

Stan Scott Hurls No-Hit Game

Stan Scott became the third hurler in the Community Softball League to register a no-hit performance as the Cedarville Progressive Club humbled Springfield 7-0 under the lights of the local Community Park.

Without the benefit of a pre-game warm-up, Scott took the mound and tossed four successive balls into the turf, walking the first batsman, Bob French. After that the Progressive Club hurler proved invincible, Springfield tried to stem the Cedarville batsmen with two hurlers, namely Buck and Lou Manion, but without success.

In the nightcap game South Charleston provided a surprise by stopping the five game winning streak of the Morris Bean team from Yellow Springs, 7-3. The usually steady and capable hurling of Charley Gerhardt of Morris Bean

flattered in the first and sixth inning to allow the victors three and four runs respectively. By contrast Fred Byrd allowed four well dispersed hits to hold Morris Bean's batsmen in check.

Mrs. Williamson Entertains Guests

Cedarville — Mrs. R. T. Williamson entertained guests at a picnic supper Wednesday evening, in honor of Mr. and Mrs. Wilson Gallo-way of California, who are visiting in Cedarville.

Present at the party were Mr. and Mrs. Lloyd Confarr, Mr. and Mrs. Creswell, Mr. and Mrs. Fred Townsley, Mr. and Mrs. Ralph Townsley, Miss Wilma Spenser, Mr. and Mrs. Harry Hammon, Mr. and Mrs. A. E. Richards, Mr. and Mrs. Fred Dobbins, and Mr. and Mrs. Delmer Jobe, as well as the honored guests.

Games, Fireworks Mark Legion Party Saturday

Cedarville — The American Legion has completed plans for the 5th Annual Celebration at the local community park for Saturday night. The local Progressive Club sponsored softball team will meet the league-leading Jamestown team in the main game of the evening.

Games are scheduled for the shelter house throughout the evening and horse shoe pitching will be available for those who like that kind of recreation.

The prizes at 9 P. M., will be highlighted by a \$200 cash prize. Second prize is a \$50 Savings Bond and third prize will be a steam iron.

The Cedarville Hardware and Don's Market are cooperating by giving away their Chrome Dinette set as a feature of this part of the program. A display of fireworks has been arranged by the committee as a finale and the Legion expects to maintain its reputation as being a good host for the community and all the neighbors from other communities who would like to attend.

The American Legion Auxiliary will have charge of the refreshments and will get the full benefit from this with the exception of the sale of soft drinks, which is traditionally the project of the park board.

4-H NEWS

Cedarville — Girls in the Yeast Breads project of the Senior Happy Workers 4-H Club finished their project with a final meeting on Thursday afternoon at the home of Clara Sexton. Outdoor Cookery project was completed Friday. The club is planning a program at the Recreation Hall at the Wright-Patterson Air Force Base Hospital for July 16, in the form of a Play Party with the Cedar-Tones helping to provide entertainment.

Howard Kahoe Attends Meeting

Yellow Springs — Howard Kahoe city manager, attended a Civil Defense meeting Wednesday in Xenia, at which the possibility of a joint civil defense program between

Incoming Officers; Trustees Announced By Association

Greene and Montgomery Counties was discussed.

Mr. Kahoe stated that, if the program is approved, that the Yellow Springs Village Council will decide the village's position therein.

Representatives of Montgomery and Greene County municipalities were at the meeting.

Kitchen Kuties 4-H Club

Jamestown — The Kitchen Kuties 4-H Club met in the Home Economics room at the Silvercreek School Wed. at 2 p.m. We baked filled cookies, at our next meeting we will make chocolate drop cookies which will be judged by Mrs. Taylor.

Yellow Springs — Mrs. Kenneth Hunt was recently elected president of the Yellow Springs Library Association, and Mrs. Florence Smith was named president of the Association's Board of Trustees.

New trustees are Mrs. Robert Hollister, who also is the secretary, and Mrs. Henry Federighi. Miss Mary Fralick is the association treasurer. Sustaining board members include Mrs. Foote, Mrs. Hunt, Mrs. A. C. Swinnerton and Mrs. Ira Barr.

Mrs. Donald Waechter and Mrs. E. J. Dykstra are retiring board members.

The following committee was appointed to decorate the fair booth Aug. 3rd. Maxine Swaney, chairman Carolyn Clemmer, Becky Glass, Donna Steiner, and Linda Sessler.

Couple Married Sunday in Cedarville Presbyterian Church

Marriage vows were exchanged by Miss Gae Whitehouse and Mr. John Marshall of Cedarville in an informal service in Cedarville Presbyterian Church Sunday at 7:30 P. M.

The bride is the daughter of Mr. and Mrs. Leonard Fosson, Xenia Ave., Cedarville. Parents of the bridegroom are Mr. and Mrs. Murray Marshall of Cedarville.

Rev. C. W. Sterner, pastor of the church, officiated at the service at which members of the immediate families and a few friends were present. For her marriage the bride wore a beige lace dress with beige accessories and carried a colonial bouquet of pink and

white roses.

Mr. and Mrs. Ted Marshall of Cedarville, brother and sister-in-law of the bridegroom, were attendants. Mrs. Marshall wore a gray nylon dress with white accessories and her flowers were red roses.

Following the service a wedding supper was served at DeWine's Restaurant in Yellow Springs.

Mr. and Mrs. Marshall are at home in Cedarville. Mrs. Marshall was graduated from high school in Ada, O. Mr. Marshall attended Cedarville High School and is employed at Don's Market in Cedarville. He was released from the Army five months ago after serving overseas two years.

Initial Steps Are Taken By Park Officials

Initial steps to commence the immediate construction of a large combination play court area and ice skating rink in the Cedarville Community Park were taken by the park commissioners early this week.

Decision to commence construction of this new facility followed on the heels of the announcement that the Cedarville Township Board of Education plans to direct an eight-week summer recreation program in the park during the next calendar year. The combination court and rink is one of the facilities which the commission will develop to support the recreation program.

Plans for the new facility call for a concrete rimmed 70 by 90 feet play area with two tennis courts which also can be used for volley ball, outdoor basketball baskets for training and practice in the cage game, plus an elevated edging to permitting flooding in the winter time for skating purposes. The new facility will be named in honor of Dr. Donald F. Kyle, Cedarville, who originally proposed the court area and made a substantial contribution towards its cost. However, considerable additional funds will be required to attain completion of this project.

Work of leveling the area for "Kyle Court" is scheduled for the week end and will be followed by the erection of the necessary foundation and retaining wall construction. Most of the construction work is expected to be completed by Fall with the finishing touches, such as final surfacing and placement of playing equipment being withheld until next Spring.

The court project had been approved by the Cedarville Progressive Club some months ago and turned over to the park commission for development when considered timely. Site of the new facility was designated by the club Planning Board and will be immediately adjacent to the present horseshoe courts.

FELLOWSHIP MEETING

Cedarville—Nineteen young people from the Cedarville Churches are attending the Youth Fellowship Conference at Hanover, Ind., this week. Rev. and Mrs. James Patterson accompanied the group which totaled thirty-four from Cedarville, Columbus, Jamestown, and Clifton churches.

Both Cedarville Teams Edged In League Play

Both Cedarville teams in the Community Softball League were vanquished in exciting and closely contested games under the lights in Cedarville's community park last Tuesday night.

Cedarville A. C. lost an overtime game of nine innings to Leakey's Shamrocks, following a one hour interruption caused by power failure due to recent electrical storms. Jim Briley's double in the bottom of the last inning broke the deadlock when he scored on a misplayed recovery of the hit in deep left field.

In the closing game, Jamestown continued its flawless march for the title by downing Cedarville Progressive Club 3-1 in a twirling duel between Luke Easter and Stan Scott. The former fanned 15 local batters and allowed three hits. Cedarville's only tally came in the seventh and closing inning on Scott's second hit of the game, a double, that was followed by Glass' triple.

The second half of the Community Softball League race for the pennant commenced last Friday night when Joe Zellars hurled a no-hit game for Leakey's Shamrocks of Xenia and administered the sixth defeat to South Charleston by a 5-1 score. The lone tally of the losing nine was acquired by momentarily wildness on the part of Zellars in the fifth inning when he walked three batters. An infield tap permitted one runner to cross the plate.

In the nightcap game Morris Bean continued his hot winning streak by thoroughly humbling Springfield 11-1 in a game called at

the end of the fifth inning, due to the 10-run lead rule. Bill Trout, first sacker for the Yellow Springs Industrial team hit three successive home runs, setting a new record for an abbreviated game. His round-trippers accounted for six of the eleven runs scored by Morris Bean. Charley Gerhardt, winning hurler allowed Springfield only one hit.

Cedarville—At the morning worship Sunday, the Rev. John Stoll will preach in the First Presbyterian Church of Cedarville. Mr. Stoll is Faculty member and registrar of the Cedarville College Baptist Bible Institute, graduated from Wheaton College and Grace Theological Seminary.

In addition to teaching, Mr. Stoll has served a church in the state of Indiana. His home is Altoona, Pa. In the absence of the pastor, Rev. C. Wilbert Sterner, Mr. Paul L. Ramse, Clerk of Session will arrange for Dr. Frank A. Jurkat to preside.

Miss Margaret Ann Swaney's Marriage Will Occur July 18

Mr. and Mrs. Frank Swaney of Cedarville are announcing the approaching marriage of their daughter, Miss Margaret Ann to Mr. Melvin Tackett, son of Mr. and Mrs. Simon Tackett of Cedarville.

The wedding will occur July 18 at 3 P. M. in the United Presbyterian Church in Cedarville. After their marriage, Mr. Tackett and his bride will reside in Wilmington.

Miss Swaney is a graduate of

Cedarville High School and attended Cedarville College. She is employed as a secretary at Wright-Patterson Air Force Base.

Her fiancé, also a graduate of Cedarville High School, has completed his junior year at Cedarville College. He plans to complete work for a secondary teaching degree at Wilmington College following his marriage.

Antioch College Is Granted Federal Funds For Building

Yellow Springs—A Federal housing and home finance agency this week granted a \$430,000 loan to Antioch College for a men's dormitory.

The dormitory will house an estimated 114 students. It is to be built on the northwest corner of the campus west of North Hall, which was destroyed by fire last winter.

The following reasons were given for making the operation revenue loan, which will be paid back to the Government in the form of rent:

1. Antioch is engaged in research defense contracts which are to be increased.

2. It is located in the critical Wright-Patterson Air Force Base area.

3. Antioch students have been living in "barracks unsafe and un-

suitable" for housing.

College officials said construction might start this fall. They hope it will be in use within the year.

"Critical conditions" prompted the school to seek the federal loan rather than raise the money through a normal fund drive. The dormitory is part of the school's New Century program, but since the loan is now available, it will be built ahead of the library, for which funds are still being raised.

A school spokesman said that 100 students had been housed in the barracks mentioned by the Washington agency.

Local Residents Are Cast In Shakespearian Drama

Three local residents are cast in Shakespeare's "Coriolanus," which opened Wednesday.

Mrs. William (Dorothy) Laming plays the part of Virgilia, wife of Coriolanus; Mrs. William (Petie) Payne portrays Valeria, and Tom Fess, son of Lowell Fess, is cast as the First Senator.

"Coriolanus," one of Shakespeare's lesser-known works, is based on the war between the Romans and Volscians, and carries a classic message for leaders of men.

The lead role of Caius Marcius (later called Coriolanus) is played by David Hooks, whose many years of Theatopian experience aids in his interpretation of this haughty Roman general who precipitates his own destruction.

Strong support for the hero will be furnished by MARY MORRIS of Broadway fame as Volumnia, Coriolanus' mother; and JACK BITTNER who, as Aufidius, the rival Volscian general, brings about his murder.

"Coriolanus" concerns itself with the Roman general of the same

name whose arrogance and cruelty causes his banishment from Rome. As a result, he joins the enemy Volscian forces and leads them against the Roman army. Though his two old friends, Cominius (David Bowen) and Menenius (Carl Jacobs), plead with him unsuccessfully to spare the city of Rome, Coriolanus finally succumbs to the entreaties of his mother and his wife. He returns to the Volscian town of Corioli with spoils and an advantageous peace, but is murdered by conspirators of the Volscian general Aufidius, who is envious of his success.

BERNARD DIAMOND will play Sicius, Roman Tribune of the People. "Coriolanus" will continue through Sunday.

Miss Emma Parker of Dayton and Mr. and Mrs. Clifford Hornell and family of near New Burlington were Sunday guest of Mr. and Mrs. Ralph Halner.

Beverly Ann and Judy Pickering of Wilmington spent part of last week with Mr. and Mrs. Francis Jones and daughter, Carolyn.

Mr. Foster Hollingsworth spent Sunday with Mr. A. Hollingsworth.

Mrs. Maria Le Valley spent last week with Mr. and Mrs. Earl Anderson of Spring Valley.

Mr. and Mrs. Russell Green and son, David of Xenia were Sunday guests of Mr. and Mrs. Elmer Stewart and family.

Mr. and Mrs. Robert Beal and family of Port William spent Saturday with Mr. and Mrs. Ernest Beal and family.

Mr. A. Hollingsworth and Le Roy Hollingsworth spent Saturday with Mr. and Mrs. William Wilson and family of Sabina and enjoyed the Sabina Sesquicentennial Parade.

The Case Against Socialized Power

The Freeman Magazine recently carried an extremely compelling article by O. Glenn Saxon, entitled "Denationalize Electric Power." He went into considerable detail concerning the tremendous expenditure of our tax money that has been made to advance socialism in the power field. At the end he gave these five basic reasons why the government should get out of the power business:

- "1. To reduce its debt;
- "2. To reduce its expenditures, including payroll;
- "3. To provide a new source of tax revenues to aid in balancing federal, state, and local budgets and reducing tax rates;
- "4. To give consumers the benefit of the more efficient and lower cost service which the record here and abroad clearly shows private management invariably provides;
- "5. To reverse the trend toward socialism and big government in business which if continued on the scale contemplated, will lead to socialization of other fields and, finally, to national bankruptcy and the Welfare State."

All of these reasons are important. The fifth and last is infinitely the most important. It dwarfs all other considerations. Socialized power is simply one phase of an all-inclusive socialistic goal which, if ever realized, would destroy freedom in this country as surely and ruthlessly as it has destroyed it in Eastern Europe.

Dividing Up Your Retail Dollar

A large food retailing organization in Florida recently described what happened to each dollar its customers spent with it in a late year. And this actual story is a significant one for budget conscious consumers.

Here is how that dollar was divided up: 85.11 cents went to buy merchandise; 8.4 cent was used to meet the payroll and to support various employee benefits; taxes took 1.38 cents; miscellaneous overhead expenses total 1.32 cents; rent and utility services cost 1.20 cents; depreciation claimed .85 cents; advertising accounted for .72 cents.

After all these costs were paid, 1.02 cents was left. And that was the retailing organization's profit.

In every branch of retailing, the profit item is far smaller than most of us realize. In fields where problems of style and seasonal changes are involved the profit naturally must be higher than in the case of staple merchandise. Even so, the net profit of representative stores rarely runs above four or five cents and often is much less.

No other people gets so much for their retail dollar as we do.

We Must Produce More Food

The population of the United States is soaring.

At present the increase runs to 7,000 persons a day. Government experts predict a 20 per cent population jump in the 1950-60 period alone.

These people must be fed—and fed, for the most part, on what can be produced on our crop lands which the 1950 census put at 336,349,000 acres.

The experts also say that if our present living standards are to be maintained through 1975, it will be necessary to bring 100,000,000 more fertile acres into production. Yet even optimistic forecasts hold that only 50,000,000 currently unproductive acres can be cleared, drained, irrigated and improved by 1975. We are presently bringing in only 2,000,000 acres a year and more than half of this is offset by the expansion of cities, towns and industrial areas.

The meaning of these forecasts and figures is clear. Unless we are to suffer a decline in living standards, we must get more and more food and fiber from our productive land. And that means the intensified application of scientific production practices and better land utilization.

Fortunately, that is not a visionary goal. Farmers and land owners are practicing conservation farming on an ever-increasing scale and in a manner that would have been impossible a few years ago. The best conservation and land use practices require machinery that was non-existent fifty years ago, but which is now standard farming equipment.

The agricultural future of the United States, and of the world for that matter, lies in maximum use of power-driven implements by farmers and ranchers who realize that the machine—rather than a futile search for new land—provides the solution to feeding our expanding population.

On all these points
of comparison...

Chevrolet's farther ahead than ever!

... IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

... IN HIGH-POWERED PERFORMANCE—The most powerful engine in the low-price field! The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrill-King" engine.

... IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range... and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

... IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains the lowest-priced line in the low-price field.

... IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

DAVE CONRAD ANNOUNCES WILLING TELEVISION STATION

Does a certain announcer over WLW-D TV remind you strongly of a man next door or a former classmate at Ohio State?

Chances are he does, and small wonder, since Yellow Springs' own Ken Diehl is beginning his second month as a staff announcer for the Dayton and Miami Valley television channel.

Ken did not have to travel far from home to launch his career, although he spent two years in the West Indies, travelled on the West Coast and studied at the Ben Bard Drama School in Hollywood before settling down at his family home in Yellow Springs.

At Ohio State Ken was a member of the "Strollers" and the "Scarlet Mask," played the title role of Figaro in Beaumarchais's

original translation from French of "Marriage of Figaro," and received the Ohio State University "Oscar Award" for the best actor. He graduated with a BA degree in 1949.

Ken also studied music for eight years and plays the piano and trumpet. He spent eight summers working with the Yellow Springs Summer Theatre and, after graduation from college, was associated with radio stations in Springfield

The home of MRS. LEROY JACOBS, Xenia-Clifton Pike, will be the setting for the annual picnic of the Presbyterian WESTMINSTER CLASS at 6:30 P.M., Tuesday.

In addition to bringing covered dishes and table service, members are also asked to donate children's, teen-age girls' and women's clothes and children's shoes to be sent to MRS. HELEN CHAPPIE for her work at the MISSION STATIONS, DORR RUN, SAND RUN and COE CHAPEL.

The picnic will be the last meeting of the group until September. Transportation to and from the affair will be arranged, it was announced by MRS. DAVID FITZ, program chairman.

OTTER'S STRATEGY

Otters, when hunting for fish always swim up stream. This is because fish, when waiting for food or reposing, have their heads up the water. The otter can more easily approach them from behind.

Half Greene Co. Families Income Over \$3,500 Yearly

The long-awaited statistical report on farm valuations, family income, housing, and standard of living for Greene County Ohio, based on the 1950 census interviews with every family in the county, has now been made public by the United States Bureau of the Census.

On the basis of its first-hand information, the Census Bureau reported the average value of land and buildings for all farms in the county at \$21,726 per farm. The tabulation shows a total of 1,914 farms in the county.

Out of 3,070 counties in the U. S. Greene ranks 427 in population.

The housing census showed 16,404 dwelling units in the county as of April 1950, with 54.7 percent occupied by the owners.

For the county as a unit 97.5 percent of all dwellings reported radios in operation.

One-half of all families in the county reported incomes in excess of \$3,504 for the year, this figure being reported as the "medium" family income for the county. Only 20 percent of the families reported income of less than \$2,000, while 24.4 percent reported incomes of more than \$5,000 a year.

Total retail trade in the county for 1948 was \$38,071,000, through 428 stores.

The land area of the county is 416 square miles, and the average density of population is 142 per square mile, compared to an Ohio average of 194, and a nationwide average of 50.7 per square mile. The total population as of April, 1950, was 58,892.

Between 1940 and 1950 the county

showed an increase of 64.2 percent total population. For the entire state of Ohio the increase for the the nation, 14.5 percent.

Total value of farm products sold by Greene County farms in 1949 was reported as \$10,712,000. This income was made up as follows: all crops, \$2,169,000; livestock and products, other than dairy and poultry, \$6,678,000; dairy products, \$1,400,000; poultry and poultry products \$465,000.

Land in farms in the county totaled 226,000 acres, according to the census report, while crops were actually harvested in 1947 from 129,000 farmland acres.

During the year 1950, 29.7 percent of the farms were tenant-operated. For the state as a whole 17.9 percent of the farms were tenant-operated. From Pg. 1 Yellow Springs managed by tenants.

The report revealed that 1,694 of the county's farms were served by central station electricity; telephones were reported on 1,389 farms.

There were 2,086 automobiles on farms in the county, and motor trucks and farms numbered 695. Tractors, on the other hand, were counted at 2,082.

Only 403 of the farms were reported to be without tractors, horses or mules.

The cattle population of the county was 22,375 including calves.

Farm expenditures in the county for 1949 for feed for livestock and poultry amounted to \$1,591,000, while the amount expended for hired farm labor was \$785,000.

Only 8.9 percent of Greene County's population was tabulated as non-white. The state figure is 6.5 percent, and for the nation as a whole the non-white population is 10.3 percent.

The county's urban population was 33,030, the rural non-farm population 17,770, and the rural farm population 8,092.

The total number of families in the county was placed at 14,765. The "median" age of all persons in the county was 27.4 years, against a statewide "median" age of 31.2 years.

Greene County purchased \$1,123,000 worth of Treasury Savings Bonds during 1950.

Total bank deposits in the county as of Dec. 30, 1950, were \$20,370,000.

Of the 16,404 dwellings, 14,178 were classified as non-farm units, with a median value of \$7,462 per single family unit.

The number of residents gainful-

ly employed in the county was reported at 19,451 with 12 percent in agriculture and 21.5 percent in manufacturing. The balance of the employed were in transportation, vice industries (laundries, garages, beauty parlors, etc.), and in the professions.

The official statistical summary is published by the Bureau of the Census under the title "Country and City Data Book for 1952", and is offered for sale by the government Printing Office, Washington 25, D.C., for \$4.25 postpaid.

Never before have such complete by-county for the entire United States.

TURKEY CROP
Farmers are raising a record crop of 44,550,000 turkeys this year in the United States—6 per cent more than last year.

PRODUCTION COWS
Good cows that produce 300 to 400 pounds of butterfat each year are a profitable market for farm grown feeds.

GRAIN CROPS
Famine and severe food shortages are generally very closely associated with failure of the grain crops from which both man and domestic livestock derive a large part of their total food supplies.

SHEEP BREEDING

A branding fluid for sheep has been developed which is completely removed from wool by scouring.

TOTAL LIFE INSURANCE

Total life insurance owned in the U.S. at the start of 1950 was \$214,400,000,000, very nearly double the figure just 10 years ago.

Cedarville Boy Named One Of Ohio's Top Boy Farmers

Cedarville — Dale Stover, son of Mr. and Mrs. John D. Stover, Cedarville, Route 1, was honored recently at the state convention of the Future Farmers of America with a pin which identifies him as one of those holding the rank of State Farmer.

The selection is made on the basis of four years of work in vocational agriculture. The upper 2 per cent of Future Farmers throughout Ohio qualify. Last year Stover was named Star Dairy Farmer of the state.

He is a 1950 graduate of Cedarville High School where he majored in vocational agriculture, taught by Ralph Harner. At the Greene County Fair, Stover will show 20 head of Duroe-Jersey hogs which are part of the herd of 150 which he has built during his high school years.

He will also enter some Holstein cattle from his barn of 24. He began keeping records on his livestock his freshman year, when he had two heifers, one sow with nine pigs. At that time he was also raising 10 acres of corn. The next year he added wheat and chickens to his program and each year has expanded his projects through careful management.

The young farmer's success with dairy cattle is evidenced by his butterfat production records which show an increase of 57 pounds in the four-year period. Last year his swine was named grand champion barrow in the FFA show at the State Fair. He has also won ribbons at Greene County Fairs and at the Black and White Show at Springfield.

Stover is keeping busy now working in the Morris Bean Foundry. He will enter the College of Veterinary Medicine at Ohio State University this fall.

Being busy is nothing new to

Stover who found time to keep an above-average scholarship record while winning four basketball and two baseball letters in high school. He served as Youth Leader for four years in the Miami Twp. Grange was president of the Cedarville Progressive Farmers 4-H Club and a camp counselor, to name two of his important offices in seven years of 4-H work.

He was secretary and president of the FA chapter and won the Procedure Contest School chorus and dramatics work, participation in Ohio Rural Youth and Westminster Fellowship meetings and membership in the Yellow Springs Methodist Church have all found a place in Dale Stover's crowded schedule.

HOWELL-CORDING NUPTIAL RITES

Miss Carolyn Mary Howell, daughter of Mr. and Mrs. John W. Howell, Enon Crossroad, northwest of Yellow Springs became the wife of Mr. Carl R. Cording of Glendale, N. Y. in this city Friday at 2:30 p. m. The ceremony took place at the home of the bride's great-aunt, Mrs. Clara M. Littell, 231 N. King St.

For her maid of honor and only attendant the bride had Miss Elizabeth Sweet of Jackson Hgts., N.Y. a former classmate at George School in Bucks County, Pa.

Mr. Donald Armstrong of Trenton, N. J., was best man and ushers were Messrs. John W. Howell, Jr., brother of the bride and Edward J. Dykstra, Yellow Springs.

A reception followed the wedding ceremony at the Littell home Friday afternoon.

Teen-agers still are taking advantage of their summer vacations to see parts of the country that they haven't seen before, as more of them are going on an returning from trips.

Bonnie Lingo and his parents arrived home from a week's stay in Florida, while Ronnie, Dickie, Linda, and Mr. and Mrs. Fisher returned from a two weeks' vacation there.

Dana Wilson is spending three in a Massachusetts church camp, and the Lloyd Benham family is spending the summer in Oxford, while Mr. Benham is attending Miami University.

We teenagers seem to have some talented actors among us as Tommy Taylor and Tommy Fess are participating in Area Theatre plans this summer.

Jane Dykstra and Diane Waechter spent this week at the Presbyterian church camp near Cincinnati.

Believe it or not, there are still some teen-agers that I have not mentioned in previous columns that have summer jobs. Don Williams is employed at Vernay's Maxine Hamilton is working in the ten-cent store on Saturdays. David and Sue DeWine are helping their father in his restaurant as cashiers.

Jack Bittner, also starring in Area Theatre plays, is working with his father in the landscaping business, and Myron Phillips is employed by the college maintenance crew. Rosezella Reed has started working at Furay's Drug Store, and Mary Ann Shaw is assisting her aunt, Miss Frances Shaw, in her department store.

The office work in Beal's Marathon gasoline station is being done by Barbara Beal for her father. Earl Batdorf is now working for C&L Service, and Randall Newsome is employed by the Antioch Press. Ronnie Hamilton and Max Miller

are working at Burdick Motors and Harold Finn is a mechanic at Bales Chevrolet. Max Mercer is working part-time for the Humanist magazine and Mark Velsky is helping in his father's shop.

Rose White is busy this summer, as she baby-sits in the mornings and works at Allied Supply in the afternoons. Luise Rothenmund is li-

brarian at the Yellow Springs Library; Jerry DeWine is employed at his father's mill; Liz Finley is keeping up with the fashion work by working at The Mart, and I am with Bahnsen's Studio for the summer.

Rain Causes Wheat Harvest To Slow Down In This County

The damp and rainy weather has had many farmers worried about the wheat harvest which is just getting a good start.

Richard Betacher of Enon Road, who has a new 12 foot combine this season, has 125 acre crop and reports 40 bushels per acre on what has been combined.

Bill Cline, just over the line in Clark County with a 300 acre crop, reports 46 bushels per acre.

Ernest Collins of Cedarville reports 35 bushels per acre on a small field combined for Homer Cultice.

Commercial going into the elevators:

Kingsley Fogg of Fairfield Pike reports his bushels as 36 bushels per acre on what he has combined.

Leroy Jacobs of Yellow Springs has a 200 acre crop and reports on a small portion combined 43 bushels per acre.

Floyd Bailey, W. Enon Road, has

a 165 acre crop and reports 40 bushels per acre.

Fogg and Jacob's crops are seed wheat and will go to DeWine and Hamma at Yellow Springs.

Wheat from these farms is running 13% and 14% moisture with weight tests of 60.

No. 2 wheat which all quotations are based on has a moisture test of 14% and a weight test of 60.

Cedarville PC Meets Jamestown

Cedarville — John Mills announced this week that the Cedarville Progressive Softball team will meet the Jamestown team of the local Community Park League as the feature attraction Saturday night, during the 5th Annual Celebration of the American Legion.

This may well be the big game of the season for the park as Jamestown has defeated the local team once this season by a three to one score and the local lads are bound to be out to get revenge.

The attendance at the Community Park has been increasing the past month for these League games and undoubtedly there will be a good crowd on hand for this contest scheduled for 7:30 P. M.

Antioch Theatre Reviewed

by W. McCaslin

as told to Alis Anthony

The Antiochians made a splendid start last week in their second "Shakespeare Under the Stars" season. Although Greco-Roman plays, consisting of complex plots and cross-plots, are not ordinarily considered to be appealing from the general public's point of view, nonetheless the Antiochians made "Troilus and Cressida" crystal clear, and have invested it with all the theatrical virtues—humor, pathos, suspense, and so forth.

There was very little of the roughness, uncertainty, and feeling of clumsiness usually present on first nights. The play, which was well paced, progressed at a satisfactory speed. Any miscues or line-fluffs were so inconspicuous that they are scarcely worth mentioning.

Troilus was played by versatile veteran Ellis Rabb, who is perhaps best remembered for his role of Cardinal Woolsey in Henry VIII last season. Although he occasion-

ally had a certain preciousness that could be eliminated (except that Troilus is a youth), he handled his role quite adroitly, and is belived by many to have a beautiful delivery and the best conception of Shakespearean poetry of all the actors.

As Cressida, blonde Jeanne Jerrens was typically cast as an ultra sophisticated, slithery young woman. Her well-modulated voice and graceful, almost seductive body movements prove that she was well aware of her heroine's personality.

At the beginning, young Keith Garwood, as old Nestor, was too sprightly of body, especially hand and arm movements, to give a credible performance of senility, although his voice and general physical appearance were convincing. At the end, however, he polished details of his presentation to the extent that he became much more believable.

Only a few imperfections were noted in Jack Bittner's role, in which he showed himself to be every inch a professional. He was a superb Thersites—ranting, lecherous, quick of tongue. Similar comments would more than adequately describe Carl Jacobs' role of Pandarus.

Philip Hammond To Take Bride In Springfield

Yellow Springs — A wedding of local interest is slated to take place at 1:30 P. M., Saturday in Springfield's Grace Lutheran Church, when Miss Jacquelyn Nickel of that city becomes the bride of John Philip Hammond, son of Mrs. Olive Hammond of Yellow Springs and Dr. W. A. Hammond of Xenia.

The Rev. Anfon L. Anderson, Grace Church pastor, will officiate at the single-ring service, which will be attended by only the immediate members of the families. Miss Nickel's parents are Mr. and Mrs. Albert Nickel of 1545 Crestview Drive in Springfield.

For her maid-of-honor and only attendant, the bride-elect has chosen Miss Marjorie Counts of Springfield, a Chi Omega Sorority sister. Mr. Hammond's brother, Robert Hammond of Yellow Springs will perform the duties of best man.

Organ music for the occasion will be presented by Mrs. Adam Wilgus of Troy, an aunt of the prospective bride.

Following a two-week wedding trip through the northern states, the future Mr. and Mrs. Hammond will reside at 140 W. Davis St., until Sept. 1, when they will move into their new residence on Hyde Road.

Miss Counts will entertain Miss Nickel at a shower following the wedding trip. Recently, a surprise linen shower was given the bride-elect by Miss Helen Pitman and Mrs. Edward Alexander in the residence of the latter.

The guest list included Miss Eleanor Collins, Miss Dorothy Lopez, Miss Kathy Bernhardt, Miss Marjorie Cormack, Mrs. Olive Hammond, Mrs. May Frederick, Mrs. Albert Nickel, Mrs. Warren Dell, Mrs. William Fulton, Mrs. Lowell Nosker, Mrs. Sydney Davis and the honored guest.

New Doughnut Machine In Use At '68 Grill

Yellow Springs — Bob Massie, owner and manager of the 24-hour service restaurant, "68 Grill," announced that a "Hol-N" doughnut machine has been operating there since its installation Monday.

Mr. Massie maintains that customers will now have "fresher and more varied" doughnuts, and reminded his customers that fresh coffee is made in the grill every four and one-half minutes.

CLIFTON LADIES AID SOCIETY MEETS

Clifton — Members of the Ladies' Aid Society of the Clifton Presbyterian Church met last Wednesday afternoon at the home of Mrs. Douglas Luse. Mrs. Carl Wasner was assistant hostess.

Mrs. Ralph Routzahn led the devotions for the group. After the meeting, Mrs. Luse and Mrs. Wasner served light refreshments.

Four-Day Session Is Held At Camp

Yellow Springs — The Women's Camp is closed at Camp Clifton after a four day period with 110 campers and 10 faculty members. Eight counties were represented: They were Greene, Clark, Madison, Fayette, Champaign, Union, Logan, and Clinton Counties.

The programs were camp fire recreation and vespers. They also held "Appreciation Hour" two days with Miss Mary Quinn of Ohio Bell Telephone Co. speaking on "Ohio

Women of Distinction" and Mrs. Mary Faye Bryson speaking on "Building the Future on the Past." Swimming lessons were in charge of Grace Turner and instructor, and nature and conservation classes were under the leadership of Miss Anne Strali.

COMETS' COURSE

A comet's tail doesn't necessarily follow the head in its course through space. The tail always streams out from the comet head in a direction opposite the sun. Thus, when a comet is moving away from the sun, the tail precedes the head.

Homes stay cleaner with LENNOX Heating!

When you have Lennox Aire Flo Heating, your walls, drapes, and furnishings will need much LESS frequent cleaning than with ordinary heating.

Your home is cleaner because dirt and dust entering your house are removed by special, large filters in the furnace. The filtered-clean air is circulated gently and continuously... free from staleness... automatically humidified... maintained at just the right temperature to meet your family's preference.

Let us demonstrate the healthful comfort you can enjoy with Lennox Aire-Flo Heating. Convenient terms.

HEAT, ALONE, IS NOT ENOUGH
for complete indoor comfort!

LENNOX Aire-Flo Heating

Gives you:

- 1 Indoor air at just the right temperature to suit you and your family.
- 2 Indoor air that is moving constantly, gently and imperceptibly.
- 3 Indoor air that is humidified.
- 4 Indoor air that is filtered clean.
- 5 Indoor air that is free from staleness.

*that's why more families buy Lennox
warm air heating than any other make!*
